

## **HARNESS USER GUIDE & CARE INSTRUCTIONS**

1. Insert ball side of Aphrodite into harness insert.
2. Align Velcro width with Aphrodite neck and wrap Velcro around neck and snap Velcro secure onto itself.
3. Place each leg into the harness between the waistband and respective leg strap and pull the harness and toy up to waist and fasten waistband.
4. Adjust waistband and leg strap sliders as necessary for a snug fit.
5. Ensure the topside of Aphrodite ball is in contact with length at underside base of clitoris.
6. Use cord and snap to front of pouch under the shaft of the Aphrodite, slide the cord closer to the wearer or further away for clitoris spot and toy contact angle stimulation as desired.
7. Change Aphrodite settings as desired.
